

# Sealy ISD 2021-22

Safe Return to In-Person Instruction and  
Continuity of Services Plan

7/28/21

# **Plan Components**

Our overall goal is to create the least restrictive, safest environment for our students and staff

**Maintain Health and Safety**

**Continuity of Services**

# Maintain Health and Safety

## Plan Updates:

- No mask requirement for students and staff
- Physical barriers will remain in high traffic, public areas
- Physical barriers will remain in a section of each cafeteria
- 3 feet of social distancing will be implemented when possible
- Continue with student hygiene and enhanced cleaning protocols

# Maintain Health and Safety

## Plan Updates continued:

- Individuals will still be encourage to report positive cases to the school, but contact tracing and quarantining of close contacts will not occur
- The 10 day quarantine period will remain in place for positive individuals
- Individuals who are ill, but not test confirmed with COVID, will need to remain home until symptom-free
- District will post confirmed cases to the website

# Continuity of Services

## Plan Updates:

- Continued academic support to fill learning gaps
- Meals will return to pre-COVID service
- Educational field trips and educational related visitor opportunities will resume
- Bus transportation: Federal mask mandate is still in effect at this time
  - Disclaimer: We are in disagreement with this mandate and are seeking further clarification which could result in a change to our plan

# Additional Information

- Location of plan and positive case information:  
Sealyisd.com: Community: COVID Information 21-22
- Plan is subject to change based on Federal and State guidance
- Plan will come up for public review and revision every 6 months according to ESSER guidelines (January 2022)
